

Dear Nuvei Partner:

Below is a news release template you may use to announce your partnership. If you plan to announce this news, please follow these steps:

1. Fill in the red information in the template below.
2. **OPTIONAL QUOTE:** Include a quote attributed to a representative from your company (Nuvei may require edits to the quote you submit).
3. Submit the completed news release template to alex.hammond@nuvei.com and govpartnerships@nuvei.com.
4. Nuvei will review your submitted release and send back an approved version that you may distribute externally.

**** Please allow at least three to five business days for Nuvei to review and approve these requests.**

**** The content included in the template may not be altered – edits beyond what is highlighted will delay the review process.**

For any questions, please contact alex.hammond@nuvei.com and govpartnerships@nuvei.com.

Thanks!

<insert company> Announces Nuvei Partnership

<insert dateline> – <insert company name and tagline>, today announced it has become a Nuvei partner.

<insert company name> has seamlessly integrated Nuvei secure payment processing technology into its software/platform, allowing our customers to access enterprise-level payments solutions through a single integration. Nuvei's modular payment platform is designed to meet the specific needs of government and municipalities, offering key features such as efficient payment reconciliation, simplified payment workflows, and tools to improve citizen engagement.

<insert optional partner quote – subject to Nuvei approval>

"Our partnership with <insert company name> underscores Nuvei's commitment to advancing secure and efficient payment solutions in the public sector. By combining our innovative technology with government services, we're streamlining processes and enhancing the payment experience for citizens", commented Philip Fayer, Nuvei Chair and CEO.

With advanced fraud prevention and risk management tools, Nuvei's platform enables municipalities to secure transactions and reduce potential risks. This streamlined solution enhances payment processing efficiency, strengthens security, and provides a more convenient payment experience for staff and the communities they serve.
